UNIVERSITY

VMU Vytautas Kavolis Interdisciplinary Professorship welcomes Martín Parselis, a guest of the Dana Gedvila Fund who is a technology scholar, educator, and artist from Argentina of Lithuanian descent.

Parselis is a tenured professor at the Pontifical Catholic University of Argentina and Buenos Aires City University. He works in the field of Technology & Society and his interests extend to social assessment of technology, technological culture and education, and philosophy of technology.

Parselis is a researcher and professor in the Faculties of Engineering, Humanities, and Social Sciences. He is the author of the books “Dar sentido a la Técnica” (“Guiding Technological Development”) and “Tecnologías Entrañables” (“Honest Technologies”). Parselis is also a former consultant and entrepreneur in the field of technologies of public communication.
